COVID 19 – Market Update

We MUST understand that in this time of national crisis there are two main priorities:

1. First and foremost – Protecting Public Health - this means reducing the number of COVID-19 infections and managing NHS resources.
2. Supplying the Food Chain

Livestock Markets have an important role to play in minimising social contact and making sure robust hygiene precautions are in place, where people do have to come together, and facilitating efficient supply of livestock into the food chain through purchase systems and assembly points.

The Sale of Prime stock, Cull animals and Store stock is still permitted according to DEFRA

The Sale of ALL breeding stock through the live ring however MUST cease immediately – Breeding Cattle, Sheep and Pigs.

With regards to any future sales there is a “drop and go” policy for vendors bringing stock to market for sale.

Vendors:

In future we will be implementing a “drop and go” policy for vendors.

Vendors MUST deliver their animals to the loading docks (remaining in their vehicles) whilst the market staff unload the vehicle and take the animals to their pens.

The sale documentation MUST be collected by the auctioneer’s staff from the vendor’s vehicle when they arrive at the unloading docks – Vendors MUST NOT take the paperwork to the market office themselves or enter the market pennage area for any reason.

Buyers:

buyers MUST Social Distance (2 meters between each buyer).

We MUST keep a register of those that attend their sales – contact name, address and telephone number.

At the conclusion of the sale buyers MUST enter the sales office in a way that does not result in too many entering at any one time.

Buyers should sanitise on entry to the market and again on exit

General points:

We advise anyone who is considered to be in the 'at risk' category, i.e. the elderly, and anyone with pre-existing or underlying health conditions not to attend the market at all.

We are constantly monitoring Government websites to keep updated with any changes in advice and we will act accordingly if required so please be aware that arrangements may change at short notice.

We would ask people, who have experienced any symptoms such as fever, shortness of breath, or a dry cough not to attend any sales, as well as anyone who has visited a high risk area abroad in the past 14 days or has come into contact with a positive Coronavirus (Covid-19) case.

If you can answer yes to any of the 3 questions below, please DO NOT attend sales.

HAVE YOU

- **EXPERIENCED ANY SYMPTOMS OF CORONAVIRUS?**
- **COME INTO CONTACT WITH A POSITIVE CORONAVIRUS (COVID -19) CASE?**
- **VISITED A HIGH-RISK AREA ABROAD DURING THE PREVIOUS 14 DAYS?**

If you are attending sales, you do so at your own risk, and we would expect strict adherence to the hand washing and sanitising guidelines.

We are taking every possible precaution to ensure the safety of our customers and staff.
