COVID 19 PRECAUTIONS FOR SALES

We continue to work with The Livestock Auctioneers Association, to provide reassurance that market activity does not undermine the important public health priorities of stopping the spread of Covid19.

- 1) We are under obligation to keep a record of all attendees and appreciate your co-operation in this matter
- 2) All stock entered for sale will be sold through a sale ring rather than our usual way in the pens,
- 3) Only serious buyers should attend the sale and enter the selling / penning areas. Only one member per family will be permitted.
- 4) Please only be at the sale ring when you intend to purchase and move away at all other times to help social distancing.
- 5) Market staff will be on hand to assist with loading after the sale.
- 6) Purchasers to settle their account at the sales office and collect documentation following the sale respecting all Covid 19 guidelines when they do so.
- 7) Face Coverings to be worn when in the market buildings

We must of course adhere to all current government guidelines issued in the control of Covid 19. Our priority is of course public health, but equally we do not want to see the knock-on effects of marts having to temporarily close or indeed farmers put on a 14 day self-isolation, due to failures to minimise risks.

Your full cooperation at this sale will be appreciated.
